the furnishing touch

Let's start the tour.

A good business environment starts with a comfortable, welcoming lobby and reception area. The Accent Group is dedicated to finding the perfect complement of products for any style of environment.

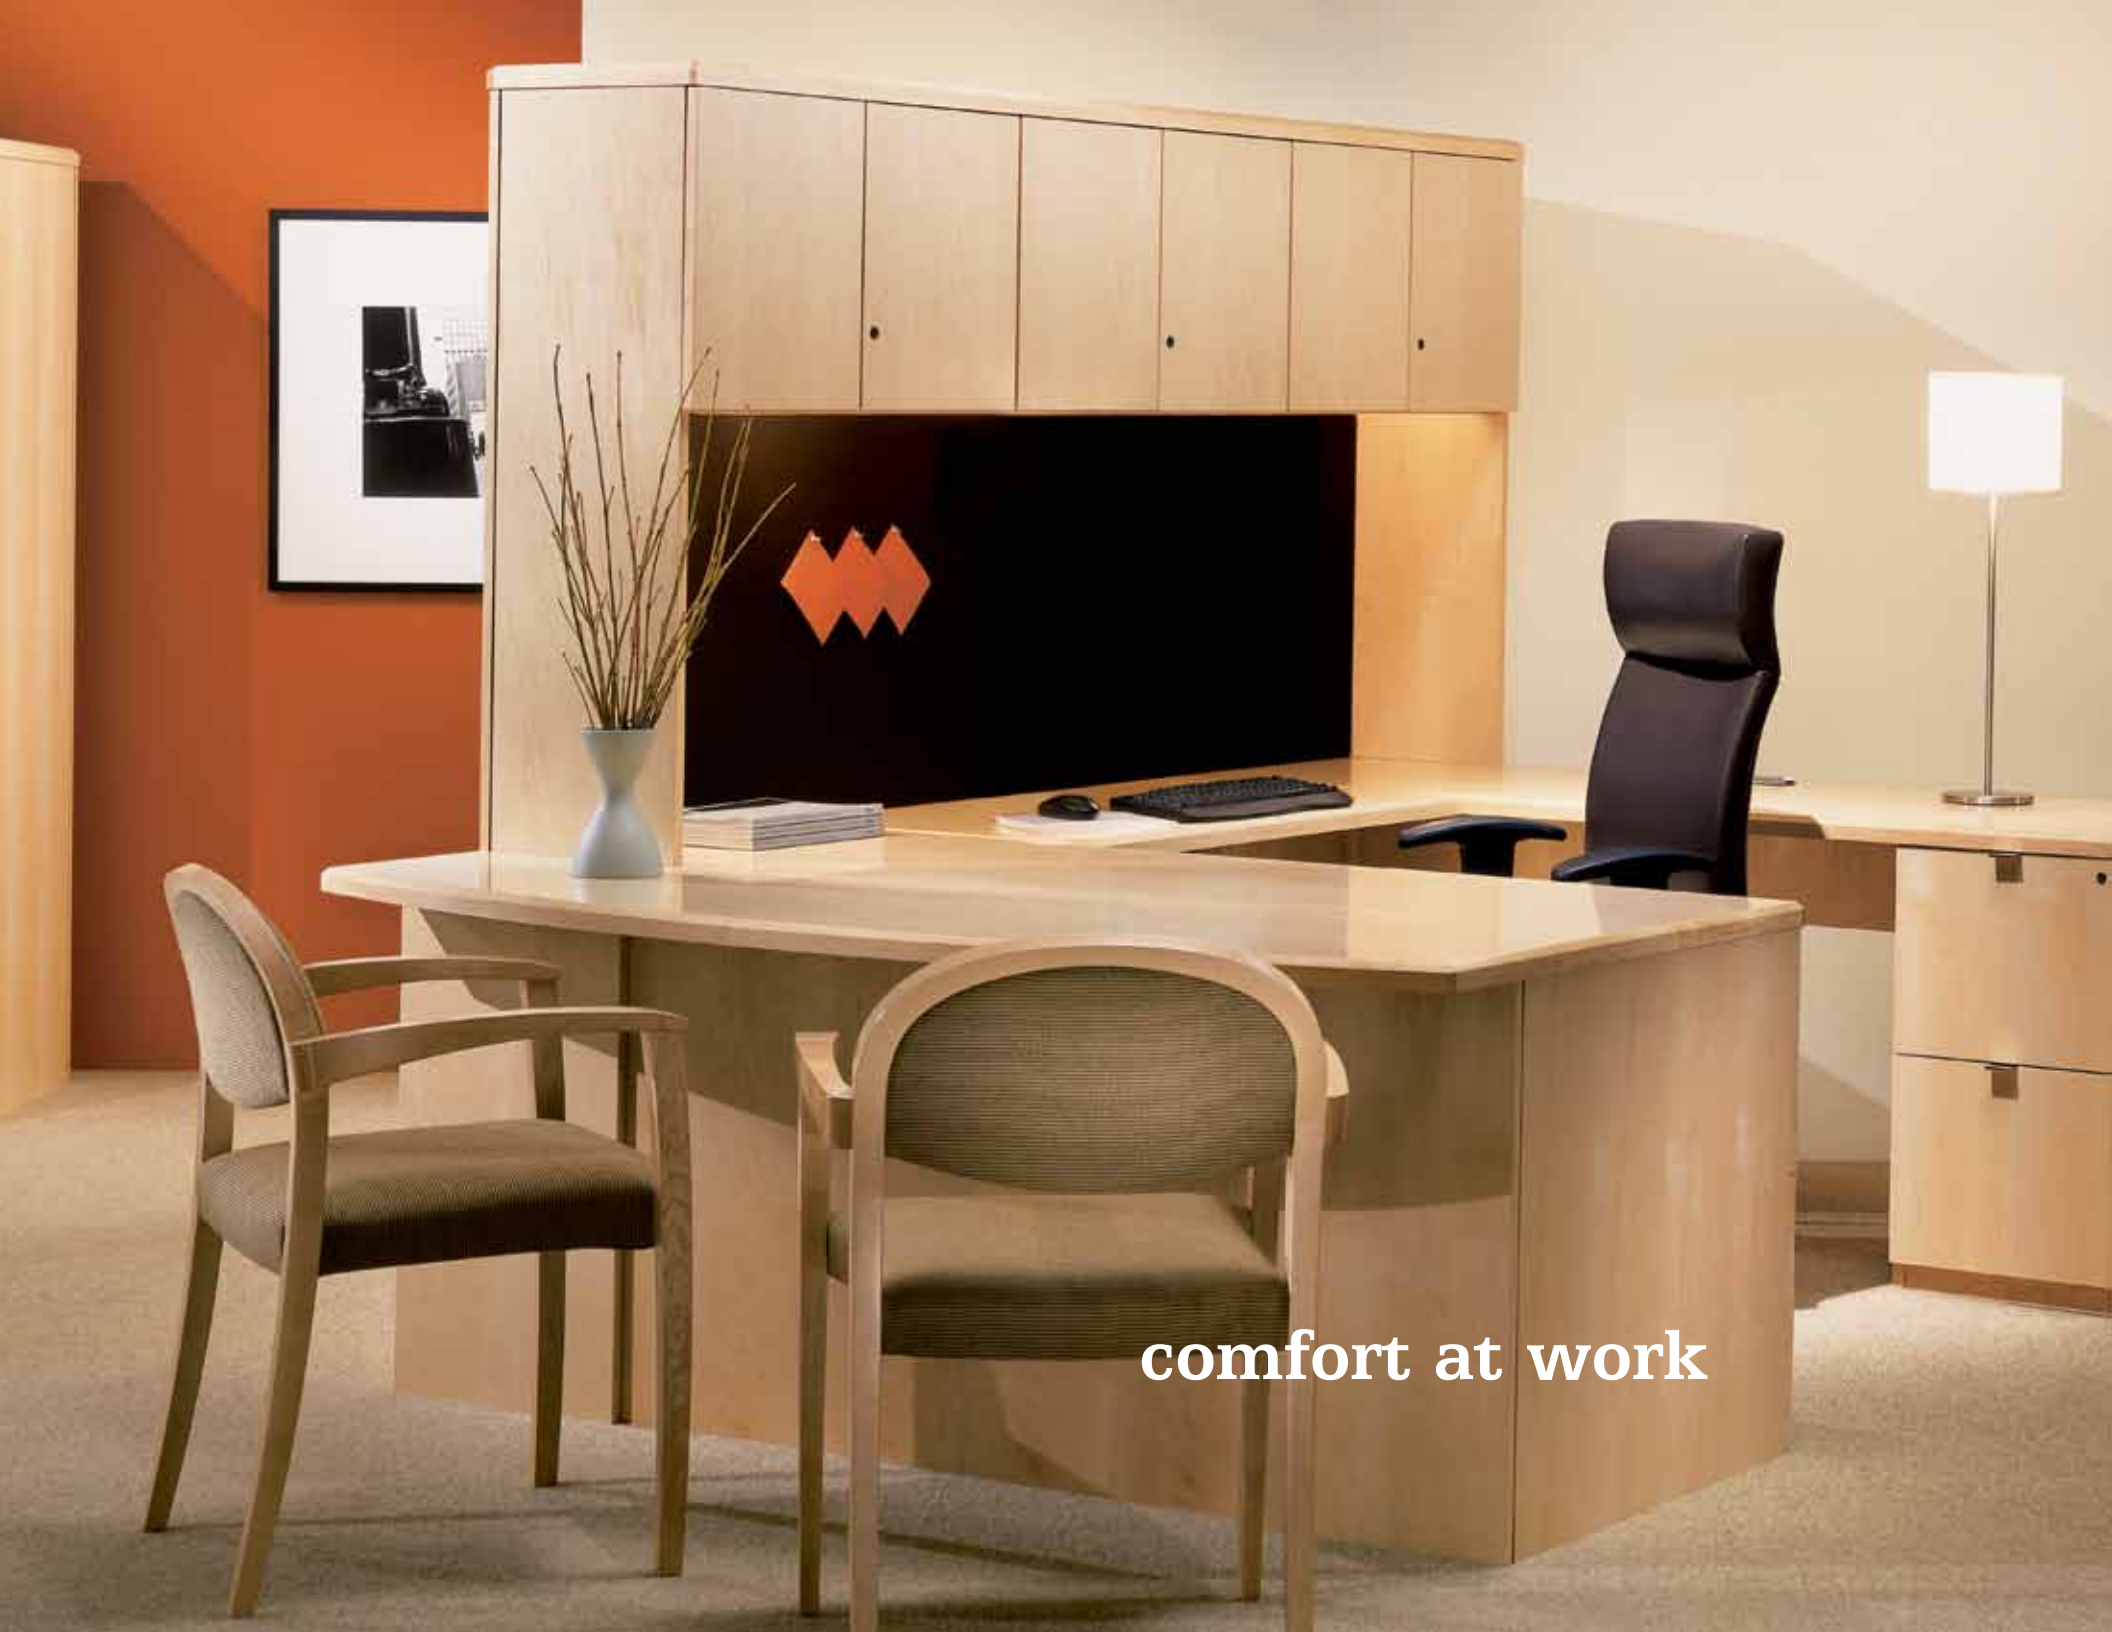

right this way

Step inside the office.

Businesses face the challenge of providing a space that maximizes efficiency, provides comfort, and increases productivity. The Accent Group has been supplying innovative solutions to those challenges for over 20 years.

comfort at work

Time for the meeting.

Meetings don't need to be tedious and stuffy. The Accent Group can transform your boardroom or meeting room into a positive and refreshing space where effective communication can take place every day.

A photograph of a conference room. A long, dark wood conference table with a black leather top is the central focus. Several blue upholstered chairs are arranged around the table. The room has white walls, a framed picture, and a wooden door in the background.

today's agenda

Let's continue the tour.

From common areas to private office suites, the factory certified sales and installation staff at The Accent Group can assess, recommend, and implement exactly what your space needs.

relax and enjoy

All kinds of spaces.

No matter what kind of space you need to furnish, from office, to institutional, to educational, The Accent Group can complete your project successfully, on schedule, within budget. It's what we're good at.

learning every day

We have what you need.

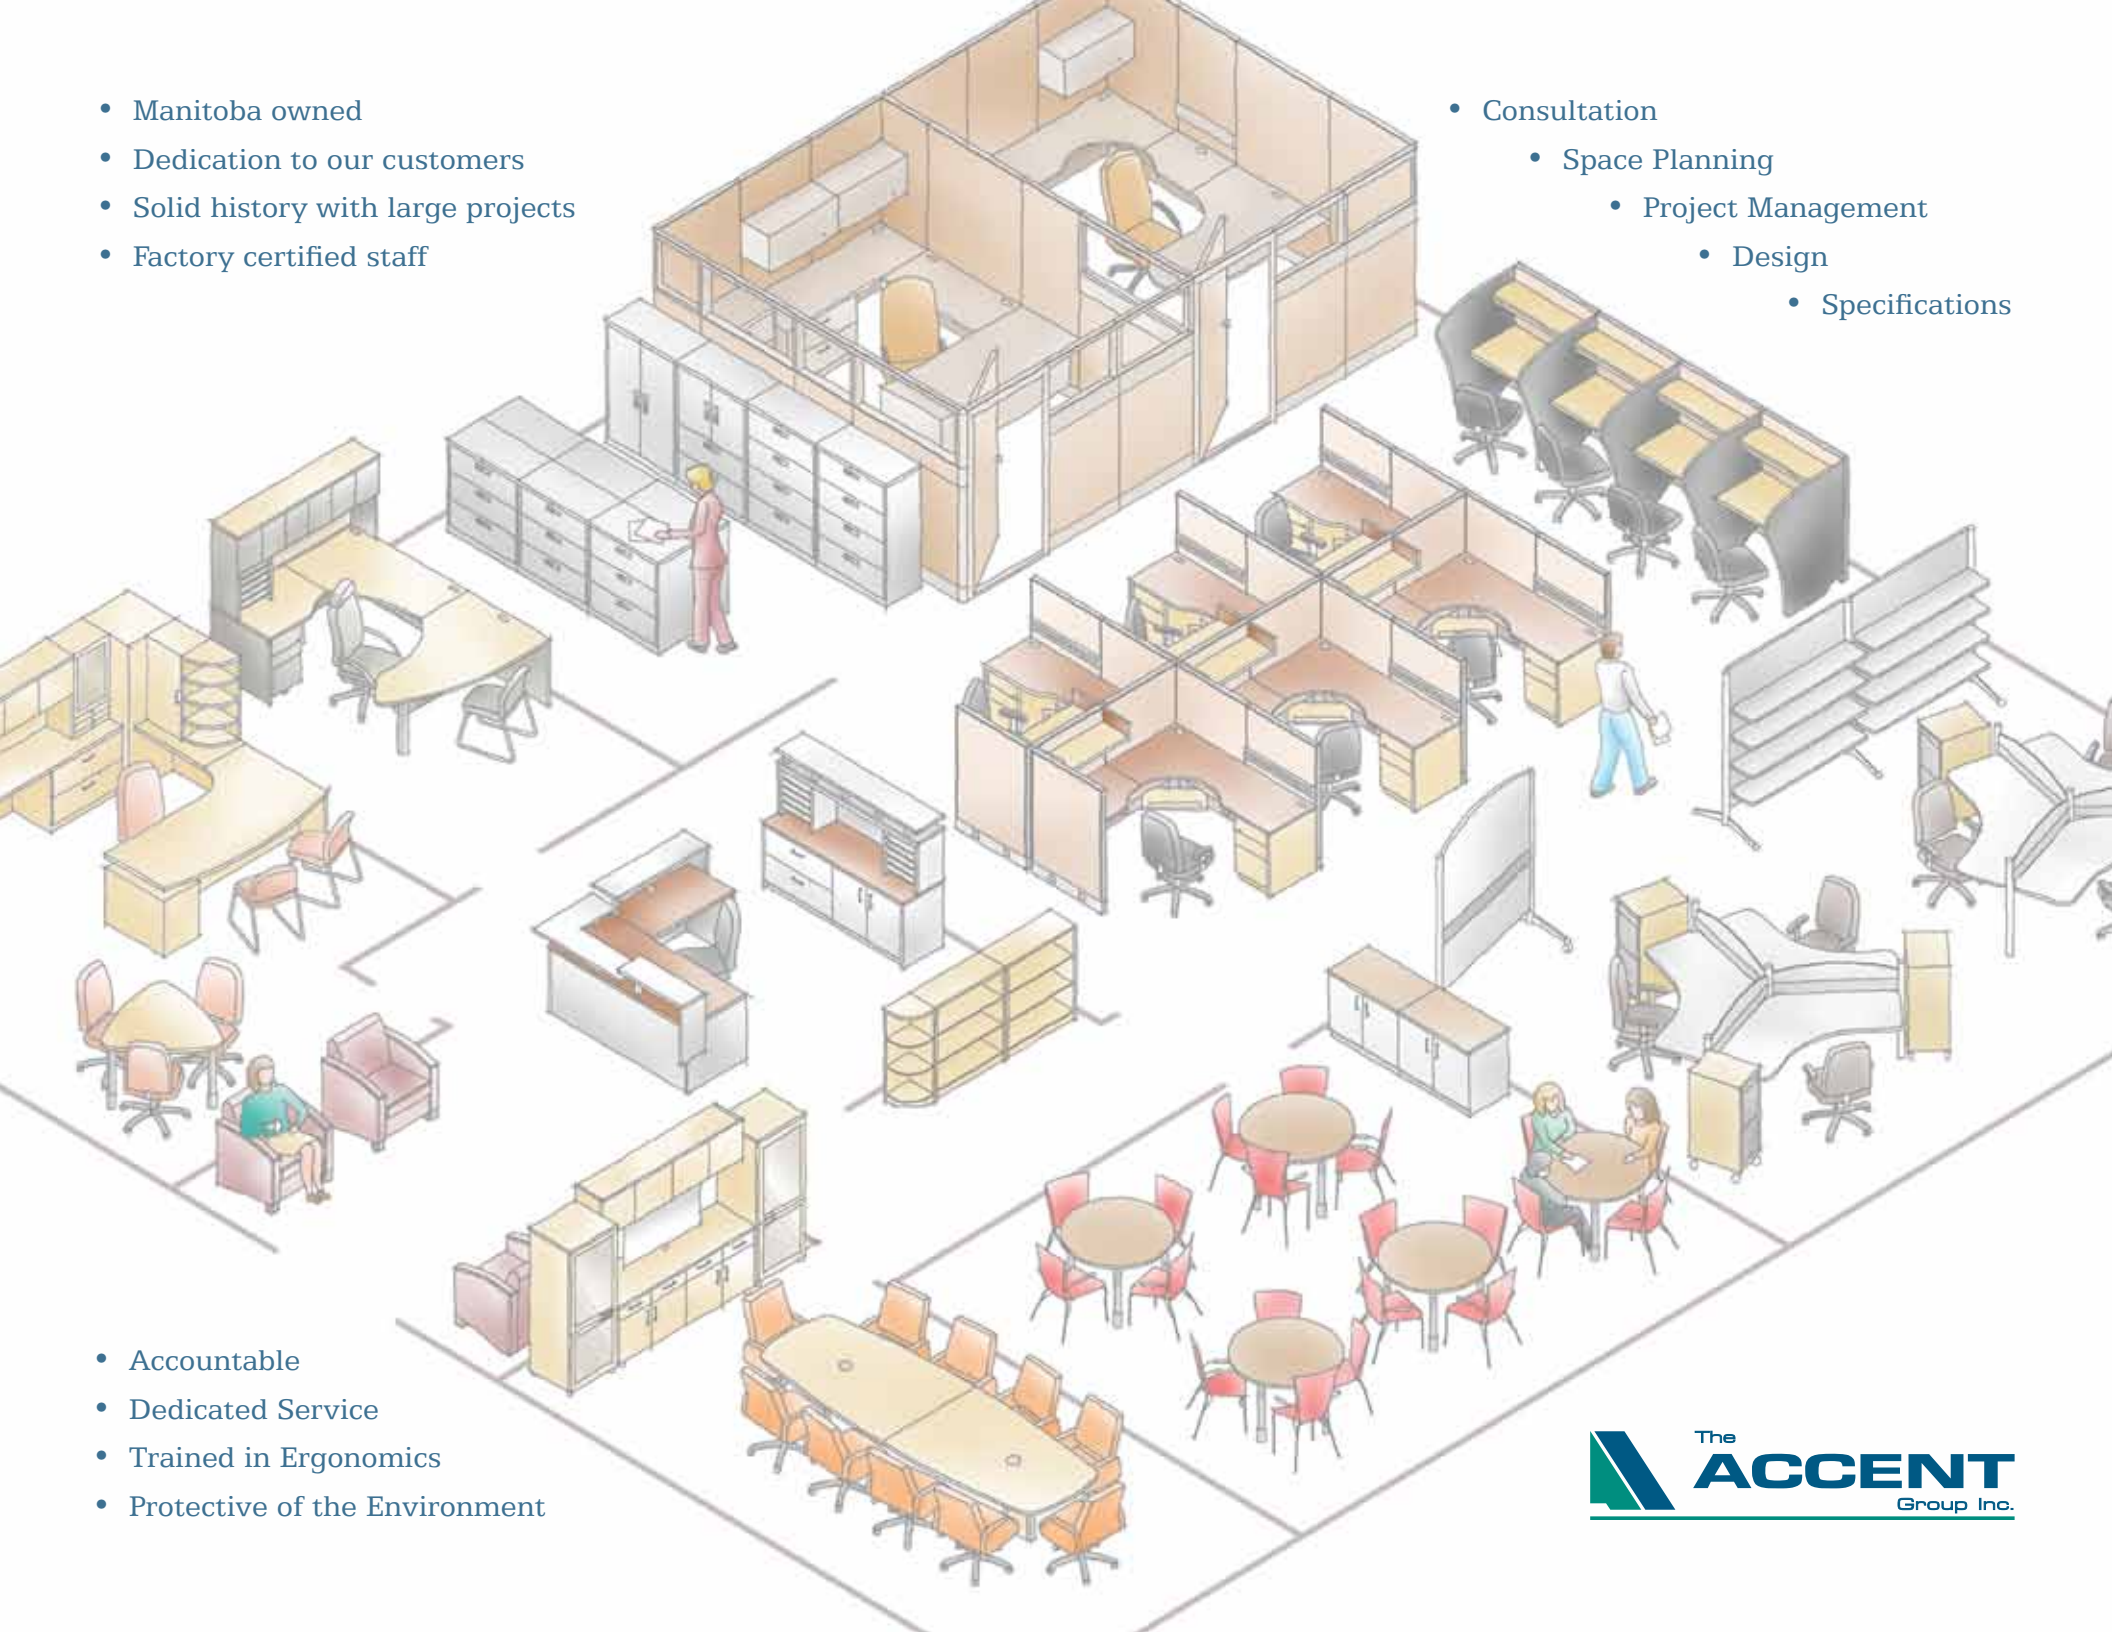

At the end of the day, a good business environment is positive, productive, efficient and stylish. Let The Accent Group transform your workspace into what it was meant to be. With us, it's all possible.
